

Rami Shoula

Material Handler

Profile

Professional and trustworthy Material Handler with several years of experience handling various materials in warehouse and business settings. Adept at following safety guidelines to ensure the proper handling of materials and the protected safety of myself and other employees. Experience in handling heavy, hazardous, confidential, and fragile items. I bring forth attention to safety, accuracy, and communication. I possess excellent collaboration skills and a strong commitment to superior service.

Employment History

Material Handler at Amazon, San Diego

August 2015 — August 2019

- Receive products using scanners and unload shipments from trucks.
- Handled small and large packages with care and precision.
- Operated PIT commitment and worked in collaboration with other employees to ensure smooth working processes.
- Remained safety-minded, resulting in very little accidents and no lost time.
- Worked with a commitment to customer care and the Amazon mission.

Haystrauff Moving Company, Santa Cruz

July 2011 — July 2015

- Worked with clients to ensure excellent customer service and a good return rate of clients.
- Moved high quality valuables with careful attention and a commitment to safety.
- Collaborated with other workers to ensure jobs were completed on time and correctly.
- Documented all shipments and deliveries.
- Maintained, inspected, and organized the warehouse.

Material Handler at Whole Valley Foods, Los Angeles

September 2010 — July 2011

- Maintained a clean and safe work environment.
- Handled all food and products in compliance with company safety and sanitary protocols.
- Worked well with other handlers and other department personnel.
- Put forth an excellent work ethic, taking only a lunch break each day.
- Honored my commitment to physical fitness, resulting in my ability to lift heavy items.
