

# Rami Shoula

Electrician

## 👤 Profile

Skilled and experienced electrician with over ten years of experience installing and maintaining electrical systems in homes, businesses, and factories. Possesses an excellent working knowledge of relevant electric codes as well as the ability to analyze blueprints effectively and install the electrical systems in reference to them. Proven track record of identifying and correcting electrical issues by using a variety of testing devices. I bring forth a strong work ethic and the desire to assist client's with making their construction process as easy and time effective as possible.

## 🏢 Employment History

### Electrician at Diacode Energy Solutions, Hamden

July 2013 — August 2019

- Provided customers with top of the line service by working on an "on call" basis for emergencies and repairs.
- Installed, managed, and maintained energy management systems such as thermostats and digital cycling units.
- Conducted thorough inspections of completed construction and filed accurate reports.
- Trained new hires in safe and effective electrical practices.
- Worked collaboratively with project managers to ensure the successful completion of jobs.

### Electrician at DeMatteo Construction Corp., Bridgeport
